LEADING GERMAN

**SAYS WILSON HAS PROVEN
BEST FRIEND OF HIS PEOPLE**

**Has Kept Country Out of War While
Roosevelt Might Plunge It In
If Hughes Wins**

That the citizens of German extraction or nativity in Lincoln county are not going to be misled in the present presidential campaign into voting for Hughes and thereby playing into the hand of Roosevelt, the greatest enemy of Germany on the American continent, was the statement of Bruno Miller, a prominent citizen of the Ottenheim section, who was in Stanford Wednesday.

Mr. Miller is a native of Bavaria, which has furnished among the very bravest soldiers in the German army in the present great war. He lived in Wisconsin for a number of years before coming to Lincoln county, and has always taken a great interest in politics and knows what is going on in regard to every big public question. Mr. Miller said that he believed that the eyes of the citizens of German blood are rapidly becoming opened to true conditions, and they are beginning to realize more and more that Woodrow Wilson has been a good friend of the Germans, and especially when it has become so very evident that Roosevelt wants war with Germany and that he is the chief backer of Hughes the republican candidate for president.

It has been repeatedly charged, and not denied, that if Hughes is elected president Roosevelt will be his Secretary of War, and Mr. Miller says that the thinking Germans do not want war, and realizing that there would be great danger of war if Hughes is elected, and Roosevelt has his way, they are going to vote for Wilson, after all.

Mr. Miller says that he personally knows a number of good German citizens of his community, who usually vote the republican ticket, who are either not going to vote at all in the election this fall or else are going to vote for Wilson, because of the part and power that Roosevelt is playing in the campaign for the election of Hughes. News from the West End of the county also, is to the effect that the German citizens of that section, are beginning to understand just what the election of Hughes might mean to the relations of this country and Germany, on account of Roosevelt, and that most of them are beginning to see things in the same light as Mr. Miller does, and as he so forcefully expresses himself.

Speaking At Crab Orchard
Voters of the Crab Orchard section are to hear a splendid speaker for the Democratic ticket next Wednesday afternoon, November 1st. He is former Senator George G. Speer, State Banking Commissioner, of Frankfort. He is quite an orator, and will make a splendid address and every voter in that end of the county should hear his reasons why Woodrow Wilson should be elected president again.

George Dupree, who was billed to speak at Waynesburg Wednesday night, phoned at the last minute that he could not come, so Hon. Jay Harlan, of Danville, was secured for the vacancy and accompanied by Rowan Sauley went to the South End and made a splendid address, which was much appreciated by a good sized crowd.

The woods will be filled with democratic oratory in Lincoln during the closing days of the campaign and every effort will be made to acquaint the voters with the importance of returning Wilson on to the presidential chair and taking no chances on plunging this country into war.

REV. WALKER CALLED AGAIN

A call for the 10th year of service as pastor was given Rev. D. M. Walker, of the Stanford Christian church Sunday morning, at a business meeting of the congregation after regular services. It is the custom of the Christian church to employ their pastor year by year, and the call extended Sunday is for another year. No specified time is fixed in which Rev. Walker must give his answer to the congregation, as to whether he will accept the call for another year or not. He has done a great work for his church since coming to Stanford, each year seeing an increase in the membership, and his many friends hope that he will decide to accept the call for another year's service in this field.

C. O. YOUNGSTER BADLY HURT.

Dr. W. W. Burgin was called to his home at Crab Orchard suddenly Thursday afternoon by a phone message from Mrs. Burgin that their 12-year-old son, Francis, had broken a shoulder blade while playing basketball at school. This is the third time the youngster has suffered such an accident, and once before he had an arm broken also.

Hustonville

There will be a Halloween party at the college given by the Christian Sunday school next Tuesday night. A small admission will be charged. Guests will come gowned in sheets in pillowslips.

W. M. Riffe and family have had as their guests her brother, Harry D. Stagg, Mr. and Mrs. Tom Kirby, Mrs. Mary B. Ford, of Knoxville, Tenn., and Mrs. Jessie Stagg and daughters, Misses Margaret and Elizabeth Stagg, of Stanford.

Misses Lyda and Nancy Weddle were in Danville shopping last Friday.

Dr. O. S. Williams spent Sunday in Danville.

A jolly crowd of young ladies and gentlemen went out serenading Saturday night and furnished melodious music for the residents. Try it again and the "cats" will certainly appear.

Mr. and Mrs. J. P. Riffe, Mrs. Will Riffe and son, Daniel, returned home Tuesday after a visit of ten days to Dr. James Riffe and family at Cincinnati and Messrs. Luke and Ray Carpenter and families at New Castle, Ind. Mr. and Mrs. T. Carpenter returned with them.

Mrs. Crit Riffe and children, Miss Bessie Riffe and Horace Riffe were in Stanford Monday.

Messrs. June Reid, George Weatherford, Mr. and Mrs. Jerry Adams, Miss Mary D. Kennedy were among those who attended the Reid-Reid wedding at Danville Monday.

Bryan Jones of Stanford was here Sunday night calling.

Miss Maggie Stagg, of Stanford, passed through here Sunday en route to Danville to be the guest of Rev. C. H. Greer and family. She was accompanied by Mrs. Jessie Stagg, Miss Elizabeth Stagg, John and Will Riffe.

Misses Mary and Kate Hanson, of Milledgeville, were here shopping Monday.

Fred Carson was in Lexington last week prospecting.

Messdames George Bradley and Emmett McCormack, Mr. and Mrs. Jean Dunn and little daughter and Will Dunn went to Stanford Sunday afternoon to view the railroad wreck.

Miss Cora Nunnally, of Peyton's Well section will leave next week for Washington, where she will attend school for several months.

We are glad to state that little Opelia Jeffers is able to be out after a short siege of diphtheria.

Crit Riffe and family attended church at Antioch Sunday and spent the afternoon in Liberty.

Miss Mary D. Kennedy, of Stanford, is visiting friends and relatives here.

W. D. Stagg was in Louisville last week the guest of his daughter, Mrs. Walter Owsley.

Mrs. Irwin Peyton, who is visiting her parents, Mr. and Mrs. Will Lair, is threatened with appendicitis.

About 75 members of the Christian Sunday School went on a picnic to Harris Creek last Saturday and spent a most enjoyable day in the woods. The lunch was a grand one and very bountifully served.

The patrons of the Hustonville school regret very much to give up Miss Kate Bogle, as teacher of the primary department. She has been a member of the faculty for quite a number of years and has never failed in her undertakings. In fact it is impossible to say too much in her praise, as she is regarded as being one of the finest and most cultured women in our town. In her place Miss Betty Jane Peavyhouse is teaching, and so far is giving perfect satisfaction.

Mr. and Mrs. Maurice Perkins, of Crab Orchard, were the guests of Mr. and Mrs. Hudson Bohon Sunday.

Mrs. Hallie Perkins, who has been operating the switch board here, returned to her home in Stanford on account of illness. She is expected back before a great while.

Boyd Weatherford, of Danville, spent Sunday here and was the guest of Miss B. Newbern.

Mr. Dave Skinner, of Keokee, Va., is visiting his family here.

Miss Webb is the guest of her cousin, Miss Minelle Pruitt at Moreland.

Mrs. W. M. Myers entertained a number of her friends last Friday with an old fashioned "quilting". The invited guests were: Messdames Tucker, Hocker, Riffe, Childress, Bishop, Morse, Stagg, of Stanford, Misses Elizabeth Stagg and Rose Hocker. At noon quite a sumptuous four course dinner was served. The day was surely enjoyed.

Hustonville has many runaways. One day last week a team of mules hitched to a wagon became frightened and ran down the side walk on Main street at a very lively gait. No occupants were within and fortunately no damage was done. The animals belonged to Lee Tumey and Charles Dunn.

On Monday afternoon the whole of Hustonville was put into panic by the running away of two horses. As Mrs. John Blain was turning around in front of the hotel, her horse became frightened, turning the buggy up side down and throwing her out. The horse went on and ran into a buggy in front of Riffe's store, occupied by Mrs. Ada Carson, Peavyhouse and she was doubled up underneath her buggy, from which the horse tore loose. Both horses went kicking and running down the Stanford pike at break neck speed, but were finally caught. The women were shaken up considerably and are now nursing bruises, scratches and a sprained ankle, but congratulations should be made that there was no one killed, as it seems almost a miracle that such did not occur.

Friends were very much surprised to hear of the marriage of Miss Nannie Reid, of Danville and Mr. James Reid, of Hustonville, which took place at the home of the bride in Danville Monday afternoon. She is a charming woman in every sense of the word and has a wide circle of friends both in her home town and here, where she often visited. Mr. Reid, who lives a few miles west of

Such As This Make Life Worth Living.

One of the most appreciated letters the I. J. has received in a long time came this week from Mrs. J. C. Wheat, of Tucson, Arizona, in connection with its increase in subscription price from \$1 to \$1.50 a year. Mrs. Wheat writes:

"As the \$1 a year limit has expired, please find enclosed \$3 to pay for 208 more issues of the I. J. (two years). I would have sent it sooner but did not want to get the \$1 rate. When you raise to \$2 a year or even more, if you ever do, count me on your list. I get more from my investment in the I. J. than anything else. Just think I pay 75c a month for our city paper and there is no comparison to me."

Long Shot Went Over

**Local Man's Horse Wins—Ott Willis
Makes Good As Jockey**

R. H. Anderson, a two-year-old race horse owned jointly by Senator R. L. Hubble, of Stanford and Col. D. N. Brewitt, of Danville, won the first race at Latonia Wednesday. The colt was a long-shot, paying \$55 for \$2 tickets on him. This youngster is a half brother to the crack two-year-old of the west, Westy Hogan, and though he has been slow in coming to form, his owners look for great things from him.

In this connection, it is interesting to his friends here, to know that Ott Willis, son of W. R. Willis, of Stanford, is about to get his jockey's license. The youngster has been doing fine work in handling horses for the big stable of J. O. Keepe and can ride as low as 100 pounds. He has shown that he has the nerve and spirit and Mr. Keepe thinks that he will make good sure. He will go with the Keene stable to Tia Juana, just below the California border, in Mexico where the winter racing season will soon begin. Young Wm. Westerfield, of Paris, well known here, and who is a great friend of young Willis, has secured a place with a big Lexington racing stable also and will soon get his jockey's license if he develops as rapidly as Willis did.

High School News

Prof. Wilson has started a house cleaning all over the school. He announced in chapel that every one whose names is on any of the furniture or on any part of the school building would be expected to erase the same. He says that if your name can be seen anywhere and you want to stay up there, you had better get it out of sight before next Friday. Those who have carved their names have to scrape the desk with glass sand paper and then apply a coat of varnish. Carving and writing on the desks have been done for several years and some have their names in many places. When this work is completed it should improve the looks of the entire premises.

Tomorrow afternoon the combined football team of Nicholasville will play the High School. There will be a straight high school line-up that goes up against this team and the game should be a very interesting one. The price of admission will be 25 cents. The game will be called at 3 o'clock.

Two new musical clubs have been organized for the study of musical history and universal things. The older Bach Club. The officers of this pupils of the piano class and among its members are several children of unusual talent, who may equal in their efforts the attainments of the older Bach Club. The officers of this club are: Adelaide Proctor, President; Lucille Walker, Vice-President; Eddie Bruce Baughman, Secretary; Catherine Murphy, Treasurer; Lelia Cook Raney, Pianist.

The piano pupils from the Sophomore, Freshman and eighth grade have shown their patriotic spirit by naming their club for America's greatest composer, MacDowell. The officers of the MacDowell Society are: Sophia Saunders, President; Sadie Wearan, Vice-President; William Tate, Secretary; Annie Lee Eubanks, Treasurer and Margaret Davison, Pianist. The charter members of the club have shown a spirit of work by placing in the library a large volume, "What We Have In Music," written by Anna Shaw Faulkner.

Miss Ballou allows us to copy the following letter from her former pupil, Miss Sallie Mills Craig, of class 1915, who is making a fine record in Randolph-Macon this year. Miss Craig said: I can never tell you how much I appreciate what you taught me about musical things, aside from actual lessons and the inspiration you gave us. We never realized how much you did for us until we left home. When I see how ill-prepared some of the girls are who come here, I certainly am thankful for the training I received at S. H. S. and I begin to realize how well taught I have been.

here, is a fine man and highly esteemed by all who know him. Mr. and Mrs. Reid left at once for Louisville and other points, where they will spend their honeymoon. Mrs. Reid is a member of the faculty of the D. & D. institute of Danville. Their wide circle of friends and loved ones wish them good fortune and happiness in their journey through life.

Mr. and Mrs. R. P. Anderson, of Corbin, are expected the last of the month for a visit to her parents, Mr. and Mrs. John Allen.

Jerry Adams returned from Lexington one night last week in a new Overland.

Mr. Samuel Denham, the drug clerk at Weddle's Store, is suffering with a large carbuncle on his forehead.

Saw Zeppelin Raid

Joseph G. Hackley, In London, Describes It In Letter Home

Mr. and Mrs. J. T. Hackley, west of Stanford, have just received a letter from their son, Joseph G. Hackley, who is continental representative of the Westinghouse electric interests in England, descriptive of a Zeppelin raid on London, which he witnessed recently. The letter will be of interest to the many friends of Mr. Hackley "back home." He writes:

51 Coram Street, London, Eng. Monday, Oct. 2, 1916.

Last night the German Zeppelins appeared over England again—ten in all. They threw out many bombs but killed only one person. I sat up late to see them and I had the most wonderful view which I have yet had. The one brought down was probably near 750 feet long and one of the latest and largest types, carrying a crew of about twenty men. This is the fourth one brought down in the last four weeks.

It was located in a few minutes and was soon plunged to the earth. In falling it illuminated the sky with a reddish light, and for a few seconds one could not have told the night from day.

My room, which was dark at the time shone inside like the sun was shining in it. The Zeppelin fell at a place called Potter's Bar, a little over ten miles northward from where I live. One can imagine the tremendous size of the thing when for a distance of ten miles it could produce such an effect.

The whole sky was as red as blood. It made me think of the Day of Judgment as one generally pictures it mentally. The light was so intense that it instantly gave me the impression that it was about to fall on the house in which I live. The great flames looked to be so close at hand that I decided to go down into the street and be outside if it fell near.

It was a beautiful starlit night, there being a slight mist which no doubt reduced much the light emitted by the blazing Zeppelin. The people in the hotel in which I live had all retired, but I resolved to stay up and see the action. I was looking out of my window watching the play of the searchlights; except for subdued chatter of the people who insist on congregating on the street, there was the dead of night's stillness. At midnight the sky became blood color. Simultaneous with this there went up a cheer from the people which re-echoed up and down the streets for miles. To the North I saw the crimson flames shooting out from the ship. Within fifteen seconds the great glow in the sky had disappeared and all was quiet again except that the cheering had aroused the people in the hotel where I live, and they were all anxious to know what had happened. It was all over so quickly, and so far away that we could not hear the guns or the shrapnel bursting. It was a quiet, but spectacular affair. The airship fell in a tree, as you read in the papers, and the crew of nineteen were all dead when they hit the earth.

I remained up until two o'clock hoping to see another display, but the rest of the Zeppelins had fled. I am quite well and all goes well here. JOSEPH G. HACKLEY.

In behalf of the State Board, He will conduct regular services at the Baptist church here Sunday, as usual.

Crab Orchard.

The Teachers' Association met at the Baptist church Saturday afternoon, October 21 and a most interesting and instructive program was rendered. Prof. Hatfield in a most pleasant manner, as chairman introduced the speakers. The devotional exercises were to have been conducted by Rev. Morgan, but as he is in the mountains conducting a meeting, Mr. Cyrus Johnson was selected and a most appropriate reading and prayer were offered, then Mr. H. G. Skiles came forward and gave them a hearty welcome in behalf of Crab Orchard's people. His remarks were beautiful and every teacher present felt that he was indeed welcome. This address was responded to by Mr. Cyrus Johnson in a very graceful manner.

The first subject, "Value of Agriculture in the School," was to have been discussed by Messrs. Earl Russell and Eugene McWilliams, neither of whom was present. Mr. Cyrus Johnson showed plainly the relation the community bears to the school, its duties and obligations and how very much a good successful school depended upon the community at large. His remarks were fine and enjoyed by all. Miss Adelia Russell, of Stanford, showed the value of play in the school. Her remarks bearing out the idea that play develops the mental faculties of the child by making the body healthy and strong and argued that especially should the smaller children have regular times for play. After Miss Russell's remarks, Miss Fannie Thompson favored the audience with a special solo and never was "The End of a Perfect Day" more sweetly sung. Miss Thompson has always responded so cheerfully when called upon to sing and is truly an inspiration to all coming in contact with her, her pure life, sunny disposition, gentle manner. Being totally blind has never once made her gloomy or despondent.

"Home Economics" was finely handled by Misses Melsaida Chadwick and Bettie Miller, who each had given much study to the subject and their ideas were pleasingly presented. Messrs. Henry Davis and J. B. Hutchins were enthusiastic over the road condition in relation to good schools, proving conclusively that nothing could conduce more to the welfare and building of a good school than roads which could be traveled by the children in summer or winter without miring in mud and water.

Miss Ellen Moore read a fine paper on the "Consolidation of Schools," and the advantages to be derived and when she was through with her argument she had most everyone believing her way. After music by the congregation, Dr. George B. Lyne came forward and in his most earnest manner gave a splendid talk to the teachers, touching on the duty of each and showing the great work they should be doing, urging that every child be given equal advantages. Then came Mr. W. T. White and as he smilingly looked over the audience everyone felt that he had something worth while to say and they were not disappointed. He has done most glorious work among the children of his district, and as he explained his manner of teaching and upbuilding we could not but feel that he was in love with his work. That his whole being permeated with the one great desire to raise the school child to the highest standard of nobility by letting him feel that you are working for his good and not solely for the public school money. We are proud of all the teachers of Lincoln county.

Miss Margaret Lewis of Williamsburg is here with friends for a short stay. Everyone rejoices to see her again.

Messrs. Ivon Fish, W. B. Hansford and Mrs. Ivon Fish and Mrs. Caltha Newland motored to Stanford Tuesday.

A coal famine is raging here at present. Prices run up to 14c a bushel.

Messdames Agnes Herrin and L. F. Jones went to Lancaster shopping Tuesday.

Mrs. Ada King is not much improved since our last letter.

Mrs. James Manuel is no better. Mrs. Sarah Hurt has returned from a month's pleasant visit to relatives in Lancaster and Danville.

Mrs. Douglas and daughter, of Danville, visited Mrs. Susie Curtis, Monday and Tuesday.

Mrs. Kittie Farris, of Lexington, gladdened her many friends here by a visit Monday.

Mrs. Peters has been quite sick for several days with malarial symptoms. The drama, "Broken Links," to be given at the college building, November 3rd, promises to be a splendid one and as the proceeds will be used to build the Sunday school rooms, we hope every one will attend that can get to town. Come help in a good cause.

Misses Delphia Newland and Hattie Owsley have just returned from a week's visit to relatives in Lexington.

Mr. Steve Teaters is home from Middletown, Ohio.

Mr. Cleve Brooks has returned from Dayton, and Cleveland, Ohio. Mr. W. E. Perkins has been suffering with a severe cold.

Mrs. Sallie Thompson has been on a visit to Mrs. Sam Ramsey in the Preachersville district.

Flour went to \$9.75 a barrel wholesale in Lexington Wednesday. Roy C. White, ex-circuit clerk of Madison, died in Richmond Tuesday.

FACES A LIFE TERM

**PERCY STEWART CHARGED
WITH BURGLARY THIRD TIME**

**Bloodhound Follows Convincing
Trail After Robbery of Baughman's Mill Elevator**

Percy Stewart, a well known local negro, faces a life time sentence in the penitentiary as a result of the burglary of the grain elevator at the J. H. Baughman & Company mill some time Monday night. Stewart has already served two terms in prison for burglary and if he is convicted on this charge, and the evidence is very strong against him, the third conviction will carry a life-term.

Harvey Moore, employed at the mill noticed that the gate to the coal yard had been torn down, and then clumsily propped back up, when he came to work early Tuesday morning, and an examination by Messrs. John S. Baughman and W. B. McKinney, of the mill showed that sacks of coal had been dragged out of the gate. Corn scattered along, also showed that some of that cereal had been taken out. A case knife near the elevator door, gave mute testimony to use in having been slipped through a crack and used in lifting the hook by which the door was fastened from within. Some corn was also found to have been taken from some sacks in a box car.

The mill management immediately had Lair's best bloodhound brought down from Hustonville. The dog took a false trail at first and, after going down the railroad, went out the Danville pike and lost the scent. Brought back to the cars and the mill elevator, it took scent again and went direct to the home of Percy Stewart on Waterworks street. It was brought back again, and this time took scent to the home of Charley Baughman, colored, in Macks-ville. Before, this however, Baughman went to the mill and told that he had bought some corn and a hog tankage from Percy Stewart the night before.

Stewart, who had been employed at the mill, had failed to come to work Tuesday morning, and when arrested was about half drunk. A hog, which had died from becoming overheated while being driven to Danville, had been given to him and Johnny Green, and after dressing it they sold it Monday for \$11.

Stewart denied that he had robbed the mill but said that he saw it done and that Allen Hill, Charley Dawson, "Big Foot" John Engleman and Hathaway Hill, other negroes, were implicated. Search warrants were taken out and the home of each named was searched but nothing was found to incriminate any of the boys upon whom Stewart sought to fix the guilt. Stewart persistently denied that he had robbed the mill, and he also denied that he had sold the corn and hog feed to Charley Baughman.

Rev. Ed Hubbard went Stewart's bond, to the amount of \$25, until his examining trial, and Stewart was released from custody.

MRS. TRIBBLE'S 9th ACCIDENT

Mrs. J. S. Owsley, whose right ankle was broken when she was thrown from a buggy the other night on the Danville pike, is resting as easily as could be expected at the home of Dr. E. J. Brown, where she has been taken for treatment. Mrs. Owsley's nerve under the most trying circumstances was well manifested at the time of the accident, when she lay under the buggy, holding the horse to keep him from running away in the darkness, while Mrs. Tribble went to the residence of J. Frank Smith for help. Mrs. Tribble was unable to lift the buggy off Mrs. Owsley and had to go to the home of Mr. Smith. T. A. Rice then came with his auto and carried the badly hurt woman home. This was the ninth accident of this kind in which Mrs. Tribble had figured. She has been in runaways and been turned out of buggies, but luckily has never yet been hurt in any of them.

TELLS CAUSE OF SEASONAL ILLS

Run Down Health Makes Body More Liable to Disease.

STOMACH USUALLY TO BLAME

Human Machine Fails When Digestive and Eliminative Processes Get Out of Order, Yielding Poisonous Waste Instead of Strength-Building Nutrient—Tanlac Expert Talks.

Many ills to which people are especially liable at this time of the year are direct results of a disordered stomach and deranged digestion, according to the Tanlac health expert.

"In a majority of cases those who suffer from sickness must blame their stomachs," he said. "We must remember that the strength of the body comes from the digestive system."

Food Becomes Poison.

"When the supply of nutriment needed to keep the human machine falls, the food which should have given strength becomes poisonous waste."

"The stomach has been called 'the chemical laboratory of the body.' There the material taken into the body is rendered into blood, bone and muscle for permanent health, vigor and vitality."

"The success of Tanlac as an aid to digestion, assimilation and the functions which dispose of waste matter has been proclaimed by thousands."

Restores to Normal.

"Tanalac is a vegetable remedy, designed to feed while it heals sick, sore stomachs, and to bring back the digestive system to its normal, natural work. Thus health is restored, yielding energy, ambition and vitality, and giving that feeling of complete well being necessary to the full enjoyment of life by every man and woman."

"With the health and strength that Tanlac gives, people are less subject to disease. Thousands who have taken Tanlac are grateful because it made them well and kept them well."

Tanalac is sold exclusively in Stanford at The Penny Drug Store, E. R. Coleman, proprietor.

Tanalac can now be obtained in following nearby cities: Moreland, Abrahams, Minks, Hustonville, Adams Bros., McKinney, True & Co., Ellis, W. C. Bryant, Crab Orchard, Lyne Bros., Brodhead, John Robbins, Lancaster, R. E. McRoberts, Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.

Life In Philippines

Not So Bad, Says Private Mose Cooley In Interesting Letter

His many friends here will be glad to read the following from Private Mose Cooley, of this city, who is seeing service with Uncle Sam's regular army in the Philippines:

Fort William McKinley, Philippine Islands

Dear Editor and Friends:—

When I last wrote you I was in Regan Barracks, which is something over four hundred miles from here. The one battalion of the 15th Infantry, E F G and H companies, is now A B C and D companies of the 31st Infantry, a new regiment organized over here under the new army bill, which allows only one hundred men as war strength. The companies have been one hundred and fifty strong, therefore it caused a split in the 15th infantry also the 8th infantry. A little over a company were transferred up here, I being one of the lucky fellows. One battalion is here; one in Regan barracks and one in Los Banos. This causes each battalion of the 31st to be stationed in three different places. There are two battalions of the 15th in China but they are now considered a full regiment, as there are 1,200 men in the two. I am very well satisfied up here; much better than Regan barracks, although it was one of the nicest places I ever saw. This place is only seven miles from Manila and a car line comes out to the post. I have been lucky on transfers and if it keeps the pace, I think I will be able to write a book entitled "Around the World on One Enlistment." A large maneuver comes off in October. We expect to get a good taste of imitation warfare. The 15th cavalry, 8th infantry and part of the 31st infantry are stationed here. We have a fine Y. M. C. A., good moving pictures, all kinds of athletic sports. Soldiers in quarters are almost like a large family. They all get along fine with each other.

I was very sorry to hear of Mr. Jordan's death. He certainly was nice to me the time I worked for him. Well, I suppose the folks did not say last winter that the wind blowed me in Stanford and I put my feet under Mr. Newland's table. I fooled them once, didn't I by getting them under Uncle Sam's table? The two-year bill has been suspended for a while, also the four-year reserve, so quite a few cannot be discharged and a great many more can't transfer to the states under the two-year law. I don't care much about it right now for I have 15 months to do over here yet. I hear that Wm. Mer-

Mt. Moriah

After a long silence, I will try to send in a little Mt. Moriah news again. I suppose everybody has been wondering what has become of the Mt. Moriah correspondent. I have had a long rest from writing, but not a long sleep like Rip Vanwinkle.

Rev. Bowling, pastor of the Mt. Moriah church, closed a most successful series of meetings recently. There were eight members added to the church, five by confession and three taking membership. We feel that much good was done for the uplift of the cause of the Gospel during this meeting.

Mr. Charlie Boone came home from Montana last Sunday and is having a pleasant visit to his parents, Mr. and Mrs. J. H. Boone. We are all glad to have Charlie in our midst again.

The protracted meeting began at Fairview Monday night with a good crowd present.

Mrs. James Floyd, of Green River section, was the visitor of Mrs. B. D. Hiatt Sunday.

Misses Ethel Maybrier and Flossie Floyd were pleasant guests of Miss Viola Hiatt Sunday afternoon, also little Miss Eva Gerkey called on her little friend, Lillian Hiatt Sunday afternoon.

Misses Mary Anna and Alline Boone, Josie Warfield, Mamie Berry, Ethel Maybrier, Flossie Floyd and Viola Hiatt, Etta and Marguerite Dawes and several of our most popular young men took a stroll out on Ball Knob and Hall's Gap sight seeing Sunday afternoon.

Mr. and Mrs. Jean Hutchinson and four attractive children were the guests of Mrs. Hutchinson's brother, Mr. Burton Spires last Sunday.

Our school has been closed a few days on account of the teacher, Mr. Charles Brown, being sick.

Mr. and Mrs. James McGuffey and two pretty children were the guests of Mr. Cas McGuffey last Sunday.

Mr. Stanfield will make a talk at Mt. Moriah Sunday night next.

Mrs. Canny Epperson and Mrs. Mrs. Jaems Reid had a pleasant visit to Mrs. Maggie Berry Wednesday.

There have been quite a number of wild geese seen here in the past few days.

Mrs. T. Bastin was at the bedside of her sister, Mrs. Willie Horton last Saturday. Mrs. Horton was some better at this writing.

BETTING ON ELECTION

A dispatch from New York Thursday said: More than \$15,000 was bet on the outcome of the presidential election on the curb market, all of the wagers thus placed being at even money. During the day some small bets were reported as having been at 10 to 9, favoring Hughes. Later in the day a number of large wagers were made at even money. Wall street hearing that Stock Exchange houses with wires running to Chicago were heavy bettors on Wilson. According to rumors in the financial district, the Chicago houses backing Wilson are representing traders in the West who recently have made a great deal of money speculating in the grain market. Even money was offered that Wilson would carry New York State by 100,000. No takers were reported. A bet of \$1,000 to \$900 was made that Wilson would carry Ohio.

Ready For Joint Debate

Middleburg Democrats Do Not Fear "Bud" Cundiff's Oratory

Middleburg, Oct. 27. The Republicans must be getting scared. It was reported here a few days since that W. C. Cundiff had consented to go on the raging stump. Bud is a real clever sort of a fellow, but on the stump we are persuaded he would play the bull racket in the china shop. Though you cannot always some times tell whether a man can make a speech or not. So light out Bud, and if your tour should lead this way you may be tackled for a joint debate.

Don't it beat rats fighting? Here we are getting 29c, for eggs at the doors of our homes and they say that Thanksgiving turkey will go to 20 cents a pound at the farm house. But the Republicans say the war "done" it. The war must be a good thing to have around. May be that is why they want Hughes elected.

Mr. John Logan, of Mercer county and Miss Minnie Pike, daughter of Mr. and Mrs. Albert Pike, of near Yosemite, were married on the 16th by Rev. K. G. Martin. They left immediately for the groom's home, in Mercer county, carrying with them the best wishes of their many friends. Deputy Sheriff Roscoe Buice came up from Liberty late Saturday evening and arrested Frank Strathum, white and Rhoda Haggard, a half bred nigger on a statutory charge.

And the said tract of land above described being the same boundary of land conveyed by the said W. F. Shomaker to John N. Chrisman, deceased, as set forth in the original petition and described in said deed in six different tracts.

The amount to be raised is \$11,537.14 and the cost of this action about \$250.00.

For the purchase price the purchaser, with approved security or securities, must execute bonds, bearing legal interest from the day of sale until paid, and having the force and effect of a judgment. Bidders will be prepared to comply with these terms.

JOHN B. STOUT, Master Commissioner of Boyle Circuit Court. 85-3F.

Prince Albert gives smokers such delight, because

—its flavor is so different and so delightfully good;
—it can't bite your tongue;
—it can't parch your throat;
—you can smoke it as long and as hard as you like without any comeback but real tobacco happiness!

On the reverse side of every Prince Albert package you will read:

"PROCESS PATENTED JULY 30th, 1907"

That means to you a lot of tobacco enjoyment. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

PRINCE ALBERT

the national joy smoke

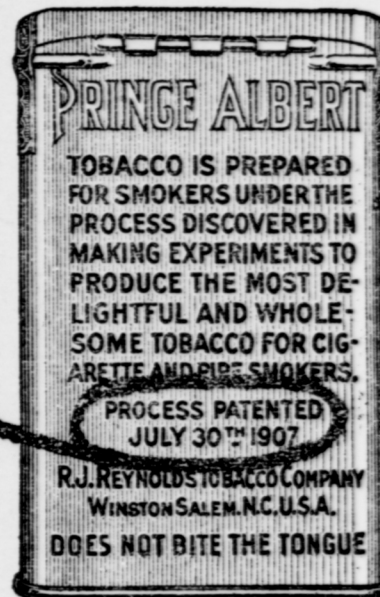

YOU'LL find a cheery howdy-do on top no matter how much of a stranger you are in the neck of the woods you drop into. For, Prince Albert is right there—at the first place you pass that sells tobacco! The tippy red bag sells for a nickel and the tidy red tin for a dime; then there's the handsome pound and half-pound tin humidor and the pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such bang-up trim all the time!

in goodness and in pipe satisfaction is all we or its enthusiastic friends ever claimed for it!

It answers every smoke desire you or any other man ever had! It is so cool and fragrant and appealing to your smokeappetite that you will get chummy with it in a mighty short time!

Will you invest 5c or 10c to prove out our say-so on the national joy smoke?

Delightful Party

Given By Mrs. K. L. Martin In Honor of Her Son—Turnersville News

Turnersville, Oct. 27. Mrs. K. L. Martin entertained on the 21st several of the young people in honor of her son, Joseph. Delightful refreshments were served and after some most interesting games were played they departed at a late hour wishing him many more happy birthdays and feeling that it was good to have been there. Those present were: Mr. and Mrs. K. L. Martin, Mr. and Mrs. Jesse Martin, Mr. and Mrs. Jack Gooch, Mr. and Mrs. Robert Cooper, Messrs. James Peek, Elmer Cooper, Freddie Sevier, Richard Peek, Jim Peek, Jr., Woodson Martin, John Martin, Mose Martin, Joseph Martin, Earl Cain, Carl Cain, Charley Gooch, Edward Reichenbach, Elmer Louise Martin, Misses Myrtle Cain, Bessie Gooch, Edith Cooper, Clarice Cain, Mattie Nelson, Angie Peek, Tabitha Peek, Bettie Peek, Margaret Cooper, Fay Martin.

Mr. J. T. Martin is on the sick list. Every is rejoicing over the good rains that fell Wednesday and Thursday.

Mrs. John Phelps, of Lexington, has been the guest of Mrs. J. W. Peek and other relatives here for the past week but returned home Saturday.

In the last issue Miss Lena Martin's name was in some way omitted from the regular attendance list. She is one of the several that has not missed a day yet.

Mrs. Elmer Cooper has gone to Somerset to be under the care of a physician for some three or four weeks.

Charley Gooch is attending school at Hustonville.

Granville Leathers is confined to his room with a case of chicken pox. Mrs. Bettie Singleton, who has been here at the bedside of her sister, has returned to her home in McKinney and will make a visit to her sister, Mrs. Walter Goode in Lexington.

Mrs. Walter Martin is able to be out again.

Little Miss Lellie Martin was absent from school Friday on account of sickness.

Everybody come to Sunday School and bring some one with you. We are to have a new preacher with us the first Sunday. Everybody come and show him some encouragement.

Miss Bertie Koger was the guest of Miss Bessie Gooch last week. She stopped over on her way to Burgin to visit her brother.

Law. If one will first consider self, you can very readily decide on this vital question. The Stock Law today and for all time to come will burden many poor people. It will cause them to pay high pasture rent or dispose of their stock at low prices. Why do we say this? It is because most of the pastures are owned by the wealthy class of people and the poorer class would be compelled to pay whatever price was demanded of them. You can take the present shortage of grass, one could hardly secure pasture at any price. The owners of pastures would soon grasp the situation and say to you and all "I am compelled to raise my pasture rent, my grass is short and I am full up. Try my neighbor," and you will find his neighbor in the same condition.

Many people speak of Lawful Fence. You may take that in consideration and you will find but few people who really have a fence according to requirement of law and if poor cow and calf happen just to step over, it seems as there are no remedies but Stock Law to be enforced upon the common class of people. Have we ever thought or pondered over this great question? No we have only looked at it very slightly. Let us get a little further down into the question to see just how one should think. Question:—Are you in favor of stock running at large? Every poor man should say in a voice altogether, "Yes. Why? Because I am an American, supposed to have free speech and just a few personal privileges." Have you ever thought of the dogs that run at large and in many instances come in strong competition with the little one for bread? Which do you think,

Mr. Voter you should be the most interested in the hogs, the cattle, horses, etc., which are mostly a necessity of life or the dog? Nothing said about the dog he can stroll the country over, free privilege of character, and when the County Assessor comes for a list he most times has to visit six or eight homes to find out who the dog belongs to, and then probably list it to the wrong person, and in return, if he doesn't own his own rig, will pay out \$1.50 or \$2.00 going to town and having the dog tax taken off his list, when he could have saved money by paying the dog tax regardless of whether he owned a dog or not. We do not aim to dictate as to how any one should vote, but it is well for one to think this matter over before he does. Just think of the land that is not doing anybody any good in some of the mountain sections and the stock law prohibits poor people from turning out their stock or puts them in position where they are unable to own any stock when before this law went into effect they had plenty of meat to do them and plenty of milk and butter. Now how is the question about meat 20 and 25 cents per pound. They have to do without it most of the time.—Reader of the Interior Journal.

Political Announcements.

The Interior Journal is authorized to announce the following candidates for office subject to the Democratic primary the first Saturday in August, 1917. FOR SHERIFF—

J. H. LIVINGSTON.

Congressman Harvey Helm will campaign in Adair county next week, speaking at a number of places over that county. Congressman Helm is doing yeoman work on the stump for Wilson, and the ticket and deserves to be returned to congress by an increased majority. It is not only necessary to re-elect Wilson but to have a democratic congress to carry out the progressive legislation for which Wilson stands, and every democratic congressman from Kentucky should be sent back to continue the good work.

Dispatches from across the water say that they are taxing every citizen of England half his income to keep the war going. That is if a man make \$400 a month, the government taxes him \$50 a month for the war. And yet a whole lot of people are going to risk a thing like that by voting for Mr. Hughes for president. Wilson has kept us out of war; why take such an awful chance by turning him out?

COM-CEL-SAR Works Wonders
You Need It! Everybody Does!

COM-CEL-SAR is an ideal Fall Tonic and body builder. It is the time of year when NATURE PURIFIES ALL THINGS THAT GROW AND CHANGE. It is IMPORTANT to place your body in a healthy condition to stand the change from heat to cold, purify your blood, get the bowels, stomach, liver, kidneys and bladder in good condition. COM-CEL-SAR tones up the system to resist the attacks of ailments prevalent during the Fall season. A healthy body is much freer from the risk of contracting disease than an unhealthy one. Read what COM-CEL-SAR did for Mr. Philip Smith, of Louisville:

"I want the whole world to know that COM-CEL-SAR has, I believe saved my life. I had been in failing health for several years, with awful rheumatism which made my legs feel numb at times, so I couldn't walk. I took strong drugs for rheumatism that tore my stomach to pieces—almost ruined it—so I was unable to eat enough to give me strength. I had vomiting spells, lasting for days at a time. Finally the doctor said I had to be operated on. Well, not knowing better, I consented. They operated on me twice, only to make me a hundred times worse than ever, causing my bowels to be almost paralyzed. I am a working man, and I tell you I lost so much time that I could not make both ends meet, and when I first heard of COM-CEL-SAR I was a wreck both in body and in mind. I used \$2.00 worth of COM-CEL-SAR, with the result that I can eat anything I want to, sleep good every night, wake up in the morning feeling rested; am working every day and can do, with ease, a good day's work. My bowels, stomach and kidneys are now perfect. I have forgotten how to vomit, my rheumatism is gone; in fact I feel better than I have for fifteen years."

Listen Folks: Watch the newspapers for more like this; thousands of the best people in the State of Kentucky have given us their endorsement for COM-CEL-SAR, which has proven itself greater than any medicine ever put together. Why shouldn't it be? It is composed only of pure, sweet, fresh, clean, God given roots and herbs. It has NATURE'S ENDORSEMENTS and is the only medicine in the world good enough to LEGALLY GUARANTEE TO GIVE YOU WHAT YOU PAY FOR OR YOUR MONEY BACK. You run no risk, you can't lose. COM-CEL-SAR is a Kentucky product, guaranteed under the National and State Pure Food Laws to be just as represented; contains no dope or poison and true to name. If it cures others, can't you afford to try it? COM-CEL-SAR is on sale at the Lincoln Pharmacy, at Stanford, Ky., or at the Weddle Drug Store, at Hustonville, Ky. These drug store also handle our SCIENCE SOAP, MADE FOR HUMAN SKIN ONLY, 10c a bar, 3 for 25c.

Heard About Town

B. W. McGuffey, of the Green River section, who was in town Thursday, says that there are several men who usually vote the republican ticket in his community, who have openly expressed their intention of voting for Wilson this time.

Dave Thomas, a well known local insurance man, who has been very ill with typhoid fever since early in August, has recovered strength sufficiently to be taken to the home of his mother in Lexington. His sister, Miss Mattie Belle Thomas, who has been here with since he was taken ill accompanied him. Mr. Thomas has been able to walk around for several days.

Rev. J. Fagaly, of Wann, Okla., is here on a visit to his brother, E. L. Fagaly, a well known contractor and builder. Rev. Fagaly is a Methodist clergyman, and has been invited to conduct a meeting at his old home near Waynesburg, which he will do very shortly. Like his brother here, Rev. Fagaly is a staunch democrat. He says that Oklahoma is sure to go for Wilson on Nov. 7th.

S. Porter Staggs, of Lexington, is here visiting relatives and friends for a few days. Mr. Staggs says that Fayette county and Lexington are certain to roll up a great majority for Wilson on Nov. 7th. He says that when Senator Ollie James spoke there Tuesday night, several thousand people were unable to get into the auditorium, so great was the crowd.

An interesting straw vote was taken by Dr. T. W. Pennington, of Stanford and W. R. Johnson, of Lebanon on the L. & N. train out of Louisville the other night as these two gentlemen returned from the Masonic Grand Lodge. Three men refused to vote. Of those who voted, the result stood: Wilson 25; Hughes, 14; 1 Socialist. Dr. Pennington says that most of the men on the train were going to the mountains, which is unusually strong republican territory.

In its report of the death of Sergeant John Hubble, at Fort Bliss, El Paso, Texas, in its Tuesday issue, the I. J. said that the popular young soldier was survived by his father and four sisters. His mother also survives, and she is heart broken over the loss of her only son, of whom she and all who knew him were very proud, as they had ample cause to be. Mrs. Hubble and her family have the heart felt sympathy of a host of friends in their hour of deep bereavement.

FARM SELLS FOR \$15,000

The sale of the farm owned and occupied by Turner Carpenter, son of A. W. Carpenter, on the Milledgeville pike, this side of Moreland, was consummated Thursday, W. M. McCormack being the purchaser. There are 157 acres in this tract, and the price paid was \$15,000. This is known as the old Bowen Gover farm and is also a splendid piece of dirt. Mr. Carpenter and wife are planning to remove to Scott county, it is reported, though their plans are not yet complete, it is understood.

You Can't Find Any
Dandruff and Hair
Stops Coming Out

Save Your Hair! Make It Thick,
Wavy, Glossy and Beautiful
At Once

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a week's use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment. A 25-cent bottle will double the beauty of your hair. 85-1

McKinney

Mr. and Mrs. John M. Hubble received a telegram Tuesday afternoon that their son, Sergeant John Wiley Hubble was critically ill in at Fort Bliss, El Paso, Texas. His father left at once for his bedside, but before he reached there another telegram was received by the family that he was dead. "Wiley" as he was familiarly known here gave his life to his country when barely old enough to enlist and had been loyal and true for the past to the Mexican border when the trouble broke out there, and there contracted that dread disease, dysentery, to which he succumbed about two o'clock Wednesday afternoon, October 18. The remains were brought here and after funeral services at the home, were laid to rest in Buffalo Springs cemetery with Masonic honors, to which grand lodge he belonged. The large concourse of friends who assembled to pay the last tribute of respect to the noble young man attest in some degree the esteem in which he was held. The tenderest sympathy of this entire community goes out to the crushed and broken hearted father, mother, and sisters and may they find comfort in their heavenly Father who "knows it all and doeth all things for the best."

Mrs. F. F. Mobley and little daughter, Margaret Mary, of Detroit, Mich., came Friday at attend the funeral of her brother, John Wiley Hubble.

Mrs. J. W. Davis and son, James Lewis, of Somerset, visited her parents at this place for a few days last week.

Miss Nancy Hubble returned Tuesday from an extended visit to her sisters in Detroit, Mich.

Miss Lillian Garner, of Crab Orchard spent several days with relatives here, last week.

Mr. and Mrs. J. L. Dayton and attractive little daughters, of Somerset were week end guests of relatives here.

Miss Mary Breeding, of Columbia, is the guest of her sister, Mrs. C. L. Pyle.

Miss Virginia Adams, of Somerset, visited her grandmother, Mrs. Sarah Dayton, for a few days last week.

The McKinney Milling Co. is getting things in shape to go to work after being shut down for repairs.

Mr. Albert Epperson is building an addition to his residence.

Mr. J. W. Hughes is also following suit with an addition to his residence in the country. It seems as though the farmers, in general, are progressive under these good old Democratic times as well as the city man.

Mr. F. M. Ware has improved his store building by the addition of a new step to the west side of the platform.

Mrs. Jesse Nunnelley has returned from a visit to her relatives at Mt. Salem.

Rev. W. R. Davidson visited his brother, Arthur Davidson and family for a few days last week.

Hidden Dangers

Nature Gives Timely Warnings That
No Stanford Citizen Can Afford
To Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Disordered kidneys send out a thin, pale and foamy, or a thick red ill-smelling urine of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys in that case warn you of the danger of dropsy, gravel and Bright's disease. Doan's Kidney Pills are endorsed by thousands. Here's Stanford proof:

B. Holderman, Stanford, says: "I used Doan's Kidney Pills and they proved to be just as represented. My kidneys were weak and I had back-ache. Hearing Doan's Kidney Pills highly praised, I used them and they relieved me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Holderman had. Foster-Milburn Co., Props., Buffalo, N. Y. 85-1

BOYS ON THE BORDER RELIEVED THEIR PAINS AND ACHES WITH SLOAN'S LINIMENT

Once upon a time Norman Jones, serving in the National Guards at El Paso, returned to camp after a strenuous 15 mile hike foot-sore and leg-weary. He had not been long in active service and his shoulders, back and limbs felt the after-effects of marching.

Remembering Sloan's Liniment, Jones applied it to the sore spots and went to bed. He writes: "I arose the next morning, feeling fine; in fact I had entirely forgotten about the hike and went out for a four-hour drill in the sun as spry as ever."

Private Jones passed the experience along, and many a boy on the border relieved the agony of sprains, strains, bruises, insect bites, cramped muscles, rheumatic twinges, etc., by the use of Sloan's Liniment.

Easily applied without rubbing. At all druggists, 25c., 50c. and \$1.00

PIE SUPPER A SUCCESS

The pie supper at the Tucker school cleared \$13.65 after paying the auctioneer and other minor expenses. Miss Lottie Boone received the most votes as the prettiest girl and got the cake. There were 1,265 votes cast, but when the money was counted there were about \$3.00 short due to carelessness in collecting it is thought. The regret is out that Mr. Lynn Dillion who cast a great many votes was by-bidding and did not pay for his votes, but the teacher wishes all to know that he paid for every vote he cast immediately after the supper. He did not have the change at the time and had mentioned the fact to the teacher, also to Mr. Lair, the record-keeper, therefore his votes were kept account of by both. So it was not through his voting that we fell short. Part of the money has already been used to buy a set of supplementary readers for the school and the rest will be used for a book case and other books. We want to thank all who helped us out in bringing pies or buying and we especially thank Mr. Lair, a former teacher, who did so much to make it a success.

The Tucker School honor roll for the fourth month is as follows: Jim Henry Dillions, Margaret Dillion, Linnie Byrd Boone, Mae Adams, Necia Adams, Sarah Cook, Allie Siler, Annie Siler, Isabel Dillion.

Head-Off That All-Winter Cough

At the first sign of sore throat, tight chest or stuffed-up head take a dose of Dr. Bell's Pine-Tar-Honey. The healing pine-tar, soothing honey and glycerine quickly relieve the congestion, loosen the phlegm and break up your cold. Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

"Goodnight Corns! We Use 'Gets-It!'"

3 Drops in 2 Seconds. That's All. "GETS-IT" Does the Best. Never Fails.

"Really, I never could see how some few people use the most difficult and painful way they can find to get rid of corns. They'll wrap their toes up with bandages into a package that fills their shoes full of feet and makes corns so painful they've got

to walk sideways and wrinkle up their faces. Or they use knives that cut right into the toe and make it raw and sore, or they'll use plasters that make the corns bulge, or pick and gouge at their corns and make the toes bleed. Funny isn't it? "GETS-IT" is the simple, modern wonder for corns. Just put 3 drops on. It dries instantly. No pain, fuss or trouble. The corn, callus or wart loosens and comes off. Millions use nothing else. "GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill. PRIMARY SCHOOL NEWS

(By Shelton Saufley, Jr., aged 9.) Most of the mothers and fathers of the primary grade children take the Interior Journal and are interested in news of the first four grades as well as that of the higher grades, and I thought that I would put in the paper about the first four grades so the people would know how the younger grade children are getting along, too.

There are four grades in the primary school. Three of the teachers are very well known, Miss Annie McKinney, Mrs. Phillips, Miss Jennie Newland. We have a new fourth grade teacher Miss Lucile Stone, and everybody is pleased with her. All of her pupils are very well pleased with her and she is giving satisfaction to the school. Now I will write a few things about the children:

William Matheny, a pupil of the fourth grade, was absent from school two or three days on account of a bad cold.

James Paxton, a pupil of the fifth grade, sprained his right wrist the other day.

Welch Pepples, of the fourth grade, sprained his left wrist two or three days ago.

Carl Hunn, of the seventh grade, sprained his left ankle a few days ago. Louise Huffman and Joe Huffman, Joe Procter were out of school about

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system.

To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

two weeks on account of chickenpox. Allie Shanks Farmer was out of school about two weeks on account of being with some one who had chickenpox.

Ennice Pepples started to school Monday, Oct. 23.

John Baughman, a pupil of the third grade, was absent from school Monday on account of toothache.

YOUNG WOMEN MAY AVOID PAIN

Need Only Trust to Lydia E. Pinkham's Vegetable Compound, says Mrs. Kurtzweg.

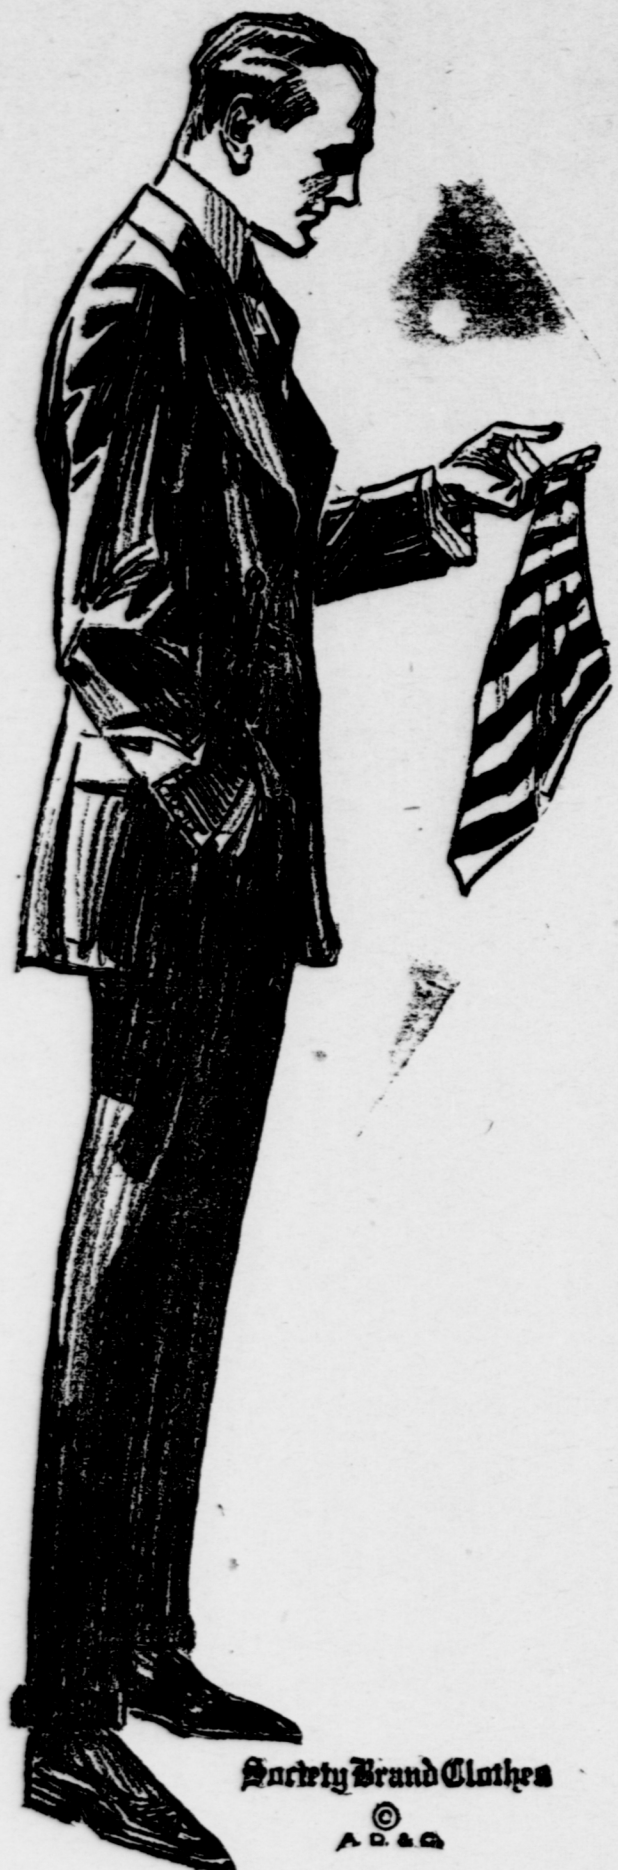

Buffalo, N. Y.—"My daughter, whose picture is herewith, was much troubled with pains in her back and sides every month and they would sometimes be so bad that it would seem like acute inflammation of some organ. She read your advertisement in the newspapers and tried Lydia E. Pinkham's Vegetable Compound.

She praises it highly as she has been relieved of all these pains by its use. All mothers should know of this remedy, and all young girls who suffer should try it."—Mrs. MATILDA KURTZWEG, 529 High St., Buffalo, N. Y.

Young women who are troubled with painful or irregular periods, backaches, headache, dragging-down sensations, fainting spells or indigestion, should take Lydia E. Pinkham's Vegetable Compound. Thousands have been restored to health by this root and herb remedy.

If you know of any young woman who is sick and needs help, please write to the Lydia E. Pinkham Medicine Co., Lynn, Mass. Only women will receive her letter, and it will be held in strictest confidence.

Messrs. J. S. Owsley and R. M. Newland, of Stanford, were here Monday.

Misses Iva and Viola Gooch and Myra and Zola Acton spent Sunday with Misses Maud and Bess Johnson.

Messrs. T. B. and D. W. Caldwell went to Buck Creek Monday to see Mrs. Susan Harness, who is ill.

Mrs. D. W. Caldwell has been ill but is better at this writing.

Mr. and Mrs. T. S. Reynolds and children spent Sunday at W. R. Singleton's.

The infant child of Mr. and Mrs. Barrett Singleton died Sunday night and was buried at the Singleton graveyard Monday afternoon.

Among those who went to Somerset Monday to hear Senator Ollie James speak were A. B. Morgan, Oliver and Roland Singleton, Coy Reynolds, Keith Padgett, E. W. Caldwell, J. G. Warriner, W. M. Millard, Claude Sims, Lloyd Routen, Urban Singleton and Mrs. F. S. Gooch.

Miss Elsie Singleton was not permitted to be in school Monday on account of the death of her little nephew. Miss Irene Singleton taught for her.

Miss Maud Johnson taught for Mr. Oliver Singleton while he went to hear Senator James speak Monday at Somerset.

Misses Jennie Robinson, Elsie Singleton and Effie Millard spent Wednesday night with the Simms Singletons.

Mr. and Mrs. E. L. Gadberry and children and Mr. Urban Singleton visited friends in Liberty Sunday.

The W. M. U. meets with Mrs. E. L. Gadberry Thursday.

The Literary Society met Friday evening at 7 P. M. The debate, Resolved: "That Grant was a greater general than Lee," was well discussed by both sides. The judges decided in favor of the negative.

Mrs. P. B. McMullins and children visited her brothers at Somerset the first of the week.

The neighbors are working on E. S. Singleton's dwelling. They will soon have it ready for him to move into it.

News comes from Hood River, Ore., that a little son has arrived at the home of Mr. and Mrs. Allen Hart.

Messrs. R. Curtis, T. J. Burleson, H. P. Day, Logan Stephens and I. C. Singleton motored to Stanford Wednesday to see the distinguished Theodore Roosevelt. But his special train being late did not stop to the gentlemen only at a glance as the train pulled by. As they were returning home they a blow-out and had it not been for the "Democrat" mule of Oscar Clay, they would have had to walked home in the pouring down rain. Mr. Clay rode the mule safely through and delivered the news of their bad luck to A. B. Morgan, who took his car and delivered the boys home safely about 11:30 P. M.

Some Tobacco Show

To Be Held In Blue Grass Capital
Latter Part of November

Of general interest to tobacco growers is the announcement that there will be held in Lexington, Ky., on November 23, 24 and 25 the Lexington Burley Tobacco Show, at which growers from all parts of the district will be invited to compete for prizes ranging up to one hundred dollars and aggregating one thousand dollars.

Never before has a tobacco show of such proportions been held. As a rule tobacco shows are a sub-issue combined with exhibits of farm products and the tobacco comes in for but little consideration. Differing widely from the usual practice this show to be held at Lexington is for tobacco alone, and the amount of money to be distributed in prizes makes its success assured. Aside from this it has the backing of the Kentucky Agricultural Experiment Station, the Lexington Board of Commerce, the Lexington Rotary Club, the Lexington Tobacco Board of Trade and the prominent men of the Blue Grass section.

The show is for bona fide producers only, and none other will be allowed to compete, and all samples must be of the 1916 crop. In addition to the exhibits of fine tobacco it is planned to make this a gigantic three days convention of tobacco growers to discuss improved methods of producing, curing and marketing the crop. Men of national prominence in the various branches have been invited to attend this gathering and lead the discussions.

Numerous features of entertainment have been planned, and it is the desire of the promoters to give the producer an opportunity to see a part at least of the process through which the tobacco has to go, before becoming the finished product.

In order that all may be on an equal footing and to avoid too great competition the Burley belt has been divided into eight districts as follows: District No. 1, Fayette county; No. 2, Woodford, Franklin and Anderson counties; No. 3, Jessamine, Boyle and Mercer counties; No. 4, Madison, Garrard and Lincoln counties; No. 5, Clark, Montgomery and Bath counties; No. 6, Bourbon, Nicholas and Harrison counties; No. 7, Scott, Owen and Grant counties; No. 8, the remaining counties of the Burley belt.

Samples for display shall be composed of twelve hands each of lug, trash, bright leaf and red leaf. Awards are to be made on the four grades as a whole. A first prize of \$25.00, second of \$15.00, third of \$10.00 and fourth of \$5.00 will make a total of thirty-two prizes. In addition three grand prizes of \$100, \$50 and \$25 will be contested for by the eight divisional winners. For the best twelve hands of cigarette wrapper, all of the district competing prizes of \$50, \$35 and \$15 are offered. For the best three stalks of Burley tobacco grown anywhere in the district \$50, \$35 and \$15 will be given.

All samples will remain the property of the exhibitor to be disposed of as he may see fit at the close of the exhibition except the prize winning samples, which will become the property of the show.

Full information regarding prizes conditions, etc., may be had by communicating with M. C. McDowell, secretary, 620 South Broadway, Lexington, Kentucky.

Will Never Be Without This Simple Laxative

DR. CALDWELL'S SYRUP PEPSIN
RELIEVED HER BABY WHEN
NOTHING ELSE WOULD

Little Max Pendergrast is now four years old, and a fine healthy boy. When but a tiny baby, in fact almost from birth, he suffered a great deal from constipation. His mother, Mrs. Carl W. Pendergrast, Red Key, Ind., heard of Dr. Caldwell's Syrup Pepsin, obtained a bottle of it from the drug store and with it was able to quickly correct this condition.

Mrs. Pendergrast says Dr. Caldwell's Syrup Pepsin has saved them from calling the doctor many times, and that she will never be without a bottle of it in the house to use when needed. She found it equally effective as a laxative for herself and other members of the family.

Dr. Caldwell's Syrup of Pepsin is a combination of simple laxative herbs with pepsin, pleasant to the taste, mild in action and positive in effect. It does not gripe or strain, and contains no opiate or narcotic drug. It is the ideal family laxative, mild and pleasant for baby, yet act-

ing quickly on the strongest constitution.

To avoid imitations and ineffective substitutes be sure to ask for Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

PUBLIC SALE

OF LAND, LIVE STOCK AND FARMING IMPLEMENTS AND PUBLIC RENTAL OF LAND

Tuesday, October 31, 1916

I will sell at public auction, on the premises, about Sixty Acres of Land. This farm is located right at Hubble, Lincoln county, Ky., on Rush Branch pike, five miles from Lancaster, five miles from Stanford and six and one-half miles from Danville, right at two churches, school, stores and mill. The land is good and fertile, lies well; no waste land; good 5-room house, large new barn, large orchard, well watered and in BEST neighborhood in Kentucky. This farm will be sold in lots of from two to twenty acres each and each lot fronting on the pike with good building site, and may be offered as a whole. Easy terms.

Sale of the land begins promptly at 10 a. m.; after the sale of which we will adjourn to my farm a few hundred yards distance where I will rent to the highest bidder 280 acres of land for the year 1917, of which 65 acres is for cultivation and the balance in grass and meadow. This farm has a splendid five-room house with three porches, nice yard and garden, two barns, cribs, stock scales and other outbuildings, large orchard, several good lots convenient for handling stock with water in every field and lot. Also sell the following personal property.

LOOKS GOOD IN ILLINOIS

K. Rogers, who went from Madison county to Morton, Ill., 13 years ago, was here this week with W. A. Brent, prospecting and may buy a farm in Lincoln county. Mr. Rogers says that interest in the presidential election is at fever heat in the Sucker State and that from all indications it is going for Wilson sure. He says that he has heard many men who have been life long republicans, say they are going to vote for Wilson this time for having kept the country out of war.

Kidd's Store

Current price of wheat has induced sowing of much greater acreage than for many late years. A few years ago when prices were about half that now farmers were persuaded of value of commercial fertilizers and bought them, but now almost any old worn field is deemed a paying prospect without barnyard or commercial fertilizer. Whirr of gasoline engines at silos has just ceased, proclaiming storage of supply of succulent winter provender. Corn is husking a superior quality and excellent yield. Tobacco speculators have visited nearby crops, but all bids declined so far as heard from. The weed has colored beautifully; the yield seems maximum, but some authorities predict that weight will be disappointing. Shippers have the marketable stock in shambles fast as farmers can be induced to sell.

Jim Pemberton, his brother George and Luther Asberry and families have gotten back from The Indyany to their native Casey "lively as crickets, happy as larks." Luther frankly admits that love of his native hills exceeds wage of two dollars a day, and declares contentment and subsistence beat wealth outside the State of Casey.

West, on an air line of less than five miles north and south, three protracted meetings are in progress. Others in other parts of county.

Beside a case of "new-mowny fever" a mile west, one of "diphthery" a mile north, east, an only, lusty grandson of two years having wearied of play with Victrola, alarm clock and granny's watch embarked on a hike "of exploration and conquest in which he stumbled on a plug of tobacco ornamented with a bright metal tag (fastened by a sharp spike, part of the disk,) which he ripped off and proceeded to swallow. Efforts to dislodge produced slight bleeding of throat, but facilitated "deglutition," as Col. M. F. Esopus Elkin would express it. The three cases on hand at same time were the absorbing daily discussions till all were recovered and good as new.

And who didn't know that our only and most versatile, genial Mike can give 99 out of 100 sawbones, cards and spades and jog under the wire a winner in an anatomical technologic contest? See Bee Hive, October 1916, page 21. Look up a copy—you'll be paid.

Just and unjust, alike have enviously watched rains falling in sight and earshot on lands and people not a whit better, while Providence provided them only enough to necessitate punishing a footmat before coming in doors. Creeks, ponds, cisterns and wells without the essential—second only to air—are exasperations, but more plentiful than piety just about here. Think of Irish potatoes above the dollar-a-bushel mark and cabbage 4 cents a pound the first of October!—and under Democratic domination.

Teddy fulminated some uncompromising talk about the G. O. P. recently, and launched a campaign of regeneration and reform. Disgusted and despairing he has concluded to abandon the job and realign invoking addition of two T's to title of "The Terrible" by former disciples and enthusiastic followers—said "Ts" spelling Truculent Traitor.

Even demagogic candidates profess depreciation of a campaign of defamation. Who can remember a presidential campaign of such peanut politics? The phenomenal prosperity is an accident due in no measure to wise, constructive legislation and diplomatic evasion of carnage with its concomitants of death, devastation and enormous taxation. Renewed tariffs are declared the tonic which assures continuance of present robust health of the Nation and the G. O. P. empirics have it ready mixed for instant administration if the patient can be cajoled to hold his nose and be drenched. Many of us old timers remember "Father Abraham's" warning that it is a mighty bad plan to swap horses in middle of the stream, especially with a disingenuous jockey skilled in doing the other fellow—and the old maxim of "letting good enough alone" is such manifest good sense we are moved to emulate our Missouri cousins in waiting to be "shown" before swapping Woodrow for a broncho—only halter broken.

There was a time when we yokels were disputing whether Teddy or the Peerless was the divinely designed

Misery in Back, Headache and Pain in Limbs.

Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anuric," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I felt and still feel improved. My sleep is refreshing, misery reduced, and life is not the drag it was before. I most cheerfully recommend this remedy to sufferers from like ailments.

Yours truly, W. A. ROBERTS.

NOTE: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specialists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and urinary troubles.

Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "Anuric" for their anxious customers in and around this locality. If not obtainable send one line by mail to Dr. Pierce for trial package or 50 cents for full treatment.

EDITOR—Please insert this letter in some conspicuous place in your paper.

Atlas to carry and guide the world, but the old lady has spun along so glibly and hilariously absolutely without both they can be happily spared to join Billy Sunday and Gypsy Smith or devote their philanthropies to Mexico.

Later—Teddy's date at Stanford was coincident with rain, finally, which relieves this end of distressing scarcity of stock water.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought I was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

At all druggists.

ACIDS IN THE SYSTEM

Acids accumulating in the system in excess, poison the blood and cause a great variety of diseases, affecting the skin and other mucous surfaces, the heart and arteries, brain and general nervous system, joints and muscles.

Some of these diseases are Rheumatism in its many forms, Catarrh, Eczema, Hives, itching and burning of the skin, dizziness, mental depression and a variety of other ailments. You must eliminate the acid from your system and purify your blood before you can be rid of your trouble.

S. S. S. has been purifying and nourishing the blood for over half a century. It is also a very efficient tonic and being purely vegetable, it is the most efficient agent known in the cleansing of the blood and toning up of the system.

Call for it at your druggists and don't accept a substitute. If special medical advice is desired write Medical Department 93, Swift Specific Co., Atlanta, Ga.

J. T. Hackley sold to J. T. Shadoan of Pulaski, a high bred Shorthorn bull calf for \$150.

Cashier W. M. Bright, of the Lincoln County National Bank, delivered to T. W. Jones this week 28 head of hogs that averaged 185 pounds at \$9 a hundred.

What is pronounced one of the finest bunches of fat cattle sold in this section this season, was sold by J. H. Baughman, south of Danville to Simon Weil, of Lexington, this week, the beeves to be delivered the first ten days in November. There are 105 head in the herd, and Mr. Baughman believes that they will run in weight from 1,350 to 1,500 pounds. Mr. Weil pays from \$8.25 to \$8.75 net for them. Mr. Weil said that they are the best bunch of fat steers he has seen anywhere this year.

An average of \$854 was made on fifty Herefords sold at Kansas City, Mo., October 6. The highest price was \$3,000. E. H. Taylor, Jr., of Frankfort, paid \$2,500 for Belle Blanchard, calved September, 1914, and \$1,500 for Desturber's Lassie, calved 1915 and a number of others under \$1,000. E. E. Mack, Thomasville, Ga., paid \$1,225 for the two-year-old Princess R. F. A. Gillespie of Tulsa, Okla., secured a yearling bull for \$1,100 and \$1,000 for a 3-year-old bull.

BUYING BUCKWHEAT HERE

K. D. Smith, representing the big seed house of Wood, Stubbs & Co., of Louisville, has been in Lincoln a week or so, mostly for the purpose of buying buckwheat crops in the southern section of the counties. He has so far secured enough to make three car loads. Among the farmers from whom he secured the largest crops were E. G. Baugh, Sid Collier, V. C. Gilliland, Charles Dye, J. H. Jenkins, and W. A. Marshall. Mr. Smith has been paying an average price of 78 cents a bushel for the buckwheat.

Hustonville

Mr. and Mrs. Ike Shelby were here Wednesday morning. The latter delivering some cattle to Simon Weil.

E. H. Kidd of Liberty, was here a while Wednesday morning on his way to Stanford.

S. A. Hanson, of near Moreland received a very severe lick on his forehead by a break pole flying back and striking him center.

W. S. Wigham received a car of coal Wednesday evening and by 9 o'clock Thursday morning it was all gone.

The rock crusher is putting out a fine lot of rock on the Liberty pike.

A full force of men are at work on the new garage this week and will soon be under cover.

Sam Owens, of McKinney, was here Thursday morning on a business trip.

Woodson Reed, of the Rolling Fork, was run over Tuesday morning by a heavy loaded wagon, while pulling Kauffman Hill. He thinks that some fresh rock on the pike rolled under his feet and threw him down and the wheels passed over both legs badly cutting them but no bones were broken. It is probable if the ground had been solid that he would have received two broken limbs.

Mr. M. J. Cain, of Somerset, is the guest of his daughter, Mrs. A. J. Weddle.

"Cascarets" Best If Headachy, Bilious, Sick, Constipated!

Best For Liver and Bowels, Bad Breath, Bad Colds, Sour Stomach

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

If you could look into a million homes

Could you look into one home in every twenty in America and see in all of them a coffee being served that is good enough to make breakfast as happy as this—

If you saw all these homes using the same coffee—

You would never rest until you had tried that coffee.

Your grocer has it—Arbuckles'. It is the most popular coffee in America today!

Like the women in these million homes, you will find that Arbuckles' has the rich full flavor you have always wanted.

Serve it. See how much pleasure coffee can give.

To supply the women of America with their favorite coffee, ships of Arbuckles' Coffee are on the sea every day, bringing coffee from the coffee growing countries to their big plant on the New York waterfront.
